A certificate to the effect that the application is in the hand-writing of the candidate should be endorsed on the application by the person in whose presence the thumb impression is taken in connexion with item 8 of the registration form, referred to in Rule 7.

A graduate candidate for examination in Book-keeping only under paragraph 3 (a) above will also be required to pay the full fee of Rs. 12.

NOTE.—Candidates residing in the Kashmir and Bikaner States should apply to the Accountant-General of their respective States, who will forward direct to the Principal, Bengal Engineering College, Sibpur, the statement mentioned in *Rule 3* below.

7. The registration form should set forth the following particulars:—

(1) Name of candidate (including Christian or personal names in full).

Other applications will be considered on their merits by the Accountant General whose decision as to whether or not the candidate should be allowed to appear for the examination will be final.

9. By the 1st December preceding the date fixed for the examination the Accountant-General should forward to the Principal of the Bengal Engineering College for registration a statement showing in respect of accepted candidates only, their names, dates of birth, addresses and the centre where they are to be examined. The statement should be supported by the accepted candidates' registration forms duly signed by the Accountant-General in token of acceptance and should be carefully preserved by the Principal.

10. Simultaneously, each candidate should be informed whether or not his application has been accepted.

11. The fees of rejected candidates should be returned to them by postal money-order at their cost, and those of accepted candidates should be remitted in consolidated sums to the Accountant-General, Bengal, by means of Remittance Transfer Receipts, together with a covering letter containing the names of the candidates. If there is only one accepted candidate and the amount to be remitted is thus less than the minimum amount for which a Remittance Transfer Receipt can be issued, the amount may be remitted to the Accountant-General, Bengal, by money-order, at Government expenses.

12. As each examination is complete in itself, a candidate who has failed in an examination, and presents himself for an examination on a subsequent occasion, must undergo the full examination and furnish a fresh fee with fresh certificates and registration form. If from any cause the candidate fails to appear for the examination, the fee paid will not be refunded, nor will it be placed to his credit for any subsequent examination.

13. Examination papers for registered candidates only will be sent by the Principal to the officers conducting the examination in time for the fixed dates.

14. The examination will be held at all the centres simultaneously under the supervision of gazetted officers on the dates and at the hours fixed by the Principal, which should be communicated by the Principal direct to the registered address of each accepted candidate by registered post.

15. The results of the examination will be declared by the Principal within three months after the examination and communicated direct to each examinee, showing only the marks gained by him in each subject and the order of standing in the case of successful candidates. A few printed copies of the complete results of successful candidates only, showing (1) order of merit, (2) name (in full), (3) father's name, (4) date of birth, (5) examinations passed, (6) marks gained in each subject and in the aggregate, and (7) address, should be forwarded to each Civil Accountant General to enable him to maintain lists of passed candidates.

16. It must be distinctly understood that the passing of this examination does not give any claim to appointment as a Divisional Accountant, and that applications for appointment should not be addressed to the Principal. The passing of this examination is a necessary qualification, but the establishment of Divisional Accountants is mainly recruited by selection amongst qualified clerks actually employed on accounts duties in the divisional and subdivisional offices of the Public Works Department or in Civil Audit offices. A small number of graduates of Indian Universities and other persons of superior and special qualifications who may have passed the public examination, may, however, be appointed direct by the Accountant-General—vide paragraph 4 of Appendix 2.

17. These rules may at any time be amended or revised by the Auditor General, who reserves to himself the power to grant exemptions from the public examination in very special cases. No general revision of the rules affecting the subjects of the examination or the necessary qualifications of candidates will be enforced until three years have elapsed since the date of such revision.

NOTE 1.—Applications for these rules should be made to the Accountant-General at the Presidency or Province in which the candidate lives.

NOTE 2.—The question papers of previous years may be obtained from the Officer-in-charge of the Book Depot, Writers' Buildings, Calcutta, on pre-payment for each complete set, of four annas to five annas if sent by post.

NOTE 3.—All communications to the Bengal Engineering College should be addressed to the Principal, Bengal Engineering College, Botanic Garden P.O.

NOTE 4.—All applications in connexion with exemptions should be addressed to the Accountant-General concerned and not to the Principal, Bengal Engineering College.

NOTE 5.—The Principal, Bengal Engineering College, cannot correspond with candidates who are dissatisfied with the marks awarded to them. Letters received by him on this subject will not be replied to.

Where an elector has subscribed more than one nomination paper, the nomination paper which is presented later shall be deemed invalid unless the nomination paper is subscribed also by at least two other electors who have not subscribed any nomination presented earlier.

(4) On the presentation of a nomination paper, the person who receives it shall enter thereon its serial number and shall sign thereon a certificate stating the date on which and the hour at which it is presented to him. He may require the person or persons presenting the same to produce a copy of the electoral roll on which the candidate and his nominators are registered or of the necessary entries therein and shall satisfy himself that the name and number on the electoral roll of the candidate and his nominators as entered in the nomination paper are the same as those entered in the electoral roll. Where necessary he shall direct that the nomination paper be amended so as to be in accordance with the electoral roll.

3. The Commissioner shall, at least fifteen days before the date fixed for the election, publish by a notice to be exhibited in the municipal office and in three conspicuous places in the division for which an election is to be held, and by an advertisement in two or more of the local daily newspapers, a list of such nominations as appear to him valid in the following form :—

| Name in full. | Parent's or husband's name and occupation. | Residence. | Division for which nominated. |
|---|---|---|---|
| | | | |

4. The Commissioner shall attend at the municipal office on the two consecutive office days next after the last day upon which the list of candidates nominated has been published in order to hear any objections which may be made to that list. Such objections may relate not only to the form of the nomination but also to the violation or non observance of all or any of the provisions of the Act or rules thereunder relating to such nomination including objections to the eligibility of the candidate to stand for election or of the nominators to nominate. Any elector of the division may file a written statement raising any such objection. The Commissioner shall give his decision on every such objection in writing which decision shall, for the purpose of election, be final, unless, within one week of giving the same, a petition for revision be put in before the Chief Judge of the Court of Small Causes, Madras; in such case the decision of the said Chief Judge shall be final. In case the objection is allowed, the decision of the Commissioner or the said Chief Judge as the case may be shall be communicated to all the candidates affected thereby.

5. (1) If the decision of the Commissioner and in case a revision petition has been filed under rule 4, the decision of the said Chief Judge has for any reason not been given more than three days before the date fixed for the election under rule 1, the Commissioner shall stop further proceedings in regard to the holding of the election and shall

report the matter to Government who shall fix, by notification in the *Fort St. George Gazette*, a fresh date for the election in the division in respect of which such nomination was made, and copies of such notification shall be pasted in not less than three conspicuous places in the division. The procedure prescribed by rules 2, 3 and 4 shall whatever be the decision of the Commissioner or the Chief Judge be repeated for such fresh election unless Government shall by special order otherwise direct.

(2) The Government may fix a fresh date for the election not only in the contingency referred to in sub-rule (1) but whenever they deem fit to do so and may exercise this power not only once but as often as may be necessary.

6. (1) Three days before the date fixed for the election under rule 1 or 5 the Commissioner shall publish simultaneously a schedule of candidates whose nominations have been held to be valid under rule 4 by advertisement in two or more of the local duly newspapers and by affixing one copy to the municipal office and one or more copies in conspicuous places in the division for which election is to be held.

(2) Provided that where there is only one candidate whose nomination is valid, the Commissioner shall declare such candidate to be duly elected and such declaration shall be deemed to be sufficient compliance with the provisions of section 46 of the Act.

7. The Commissioner shall appoint one or more polling officers to preside at each polling station and may pay them reasonable remuneration for their services. Such polling officers shall neither be councillors for the divisions for which the poll is to be taken nor electors in them. It shall be the duty of the polling officers to see that the votes are recorded with absolute secrecy, that only electors and persons desirous of lodging objections to electors are admitted into the polling rooms, and that persons who have recorded their votes or whose objections have been heard and disposed of leave the said rooms immediately. Each candidate shall be permitted to have one agent (who shall be approved by the Commissioner) present at the polling rooms during the election to watch his interests.

8. Each polling officer shall be supplied by the Commissioner with a list of electors for the division for which such polling officer is appointed to take votes. The ballot papers and box shall be delivered to the polling officer by the Commissioner, or other person authorized by him, at the hour fixed for the starting of the poll.

9. On each ballot paper supplied to the elector at the polling station the names of the candidates for election included in the schedule of valid nominations published under rule 6 shall be printed in alphabetical order in the English language and also, at the discretion of the Commissioner, in any vernacular language current in the division for which the election is being held in the order in which they are printed in English.

10. At any time before a ballot paper is supplied to a person who presents himself to vote, the polling officer may of his own accord and shall, if so required by a candidate or his agent, put to such person either or both of the following questions:—

(i) "Are you the person enrolled as follows?" (reading the whole entry from the roll),

(ii) "Have you already voted at the present election in this polling station or in any other polling station?"

The person so questioned shall not be supplied with a ballot paper, unless he answers the first question in the affirmative and the second in the negative. Except as mentioned herein, every person whose name is found in the list of electors for the division shall be entitled to be supplied with a ballot paper.

11. The elector shall make a mark against the name of the candidate for whom he votes.

12. (1) Notwithstanding the provisions of rules 10 and 11, if the elector is unable to read the ballot paper or to make a mark thereon by reason of illiteracy or blindness and applies for assistance in doing so, the polling officer shall read it for him and, if so required, mark the ballot paper at his own table and in the presence of the candidates or their agents, if any, according to the directions of the elector and give it to him to be put into the ballot box. The candidates and their agents shall have a right to hear the elector's request and to watch the polling officer when he marks the ballot paper.

(2) In the case of every elector whose ballot paper is marked in this manner by the polling officer, a note shall be made against the name of the elector by the polling officer in the separate list referred to in rule 14 of the reason why it was so marked.

13. Any ballot paper on which a mark is made against the names of more than one candidate shall be deemed to be invalidated.

14. The polling officer shall make a mark on the list of electors against the name of each elector putting ballot papers into the ballot box and shall write down on a separate list the name of every elector as the vote is recorded.

15. If a person representing himself to be a particular elector named on the list of electors applies for a ballot paper after another person has voted as such elector, the applicant shall, after duly answering such questions as the polling officer may put under rule 10 be entitled to mark the ballot paper in the same manner as any other elector. The ballot paper marked by such applicant (hereinafter called a tendered ballot paper) shall, instead of being put into the ballot box, be given to the polling officer, who shall endorse thereon the name of the elector and his number in the list of electors for the division and set aside in a separate packet and shall not be counted by the Commissioner. The name of the elector and his number in the list of electors for the division and the name or distinctive number of the polling station shall be entered in a list in the following form which shall bear the heading "Tendered votes list." The person tendering such ballot paper shall sign his name and address on the list and if he is unable to write shall affix his thumb impression thereto. Such thumb impression shall be attested.

*Tendered votes list.*

| Number in the list of electors for the division. | Name. | Signature of elector if literate; or if illiterate his thumb-impression with signature of witness. |
|---|---|---|
| | | |

16. If any candidate or polling agent declares and undertakes to prove that any person by applying for a ballot paper has committed the offence of personation the polling officer shall require such person to enter in the list of challenged votes which shall be in the following form, his name and address and, if he is unable to write, to affix his thumb-impression thereto. Such thumb-impression shall be attested. If such applicant on being questioned in the manner prescribed in rule 10 answers the first question in the affirmative and the second question in the negative, he shall be allowed to vote after he has been informed of the penalty for personation prescribed in sub-section (2) of section 65 of the Act. The polling officer shall make a note of the circumstances in the list of challenged votes.

*List of challenged votes.*

| Number in the list of electors for the division. | Name. | Address. | Signature of elector if literate; or if illiterate his thumb-impression with signature of witness. |
|---|---|---|---|
| | | | |

17. (1) The polling officer shall, at the close of the poll, transmit to the Commissioner duly sealed and secured (*a*) the ballot box and in separate packets—

(*b*) the separate list referred to in rule 14,
(*c*) the tendered ballot papers,
(*d*) the tendered votes list, and
(*e*) the list of challenged votes.

(2) The Commissioner at a time and place of which previous notice has been given shall in the presence of such candidates or their agents as may be in attendance, ascertain the total number of votes given to each candidate and shall record the result of each election under his signature.

18. The Commissioner shall declare the candidate for whom the greatest number of votes have been given in each division to have been elected councillor for that division, and he shall not later than three days after such declaration transmit the name of the candidate so elected to Government for publication in the *Fort St George Gazette*.

19. The Commissioner shall not unless ordered to do so by any authority competent to make such order open the sealed packets containing the tendered ballot papers or the separate list referred to in rule 14.

20. Upon the completion of the counting and the declaration of the results, the Commissioner shall seal up in separate packets

(1) the ballot papers, the votes on which have been counted, and

(2) the ballot papers, the votes on which have been rejected,

and shall mark on each packet the number of papers it contains. A note shall be made giving a description of the contents of each packet and the election to which it relates.

21. (1) The Commissioner shall, after declaring the result, retain in his custody the packets of ballot papers, sealed, rejected or tendered. These packets shall not be opened and their contents shall not be inspected or produced except under the orders of a competent court.

(2) The Commissioner shall retain the packets and the separate list referred to in rule 14 for a year and shall then, unless otherwise directed by the orders of a competent court, cause them to be destroyed.

22. For the purpose of these rules 'Government' shall mean the Governor acting with Ministers.

(*G. O. No.* 3884, *L. & M.*).

*No* 1222.—In exercise of the powers conferred by clause (*b*) of sub-section (2) of section 59 and sub-section (1) of section 347 of the Madras City Municipal Act, 1919, the Local Government are

pleased to make the following rules for the adjudication by the Court of Small Causes, Madras, of disputes arising out of elections of councillors of the Corporation of Madras :—

RULES.

Save as otherwise provided no election held under the Madras City Municipal Act, 1919, of a councillor of the Corporation of Madras shall be called in question except by an election petition presented in accordance with these rules to the Court of Small Causes, Madras (hereinafter referred to as the Court) by any candidate or elector against the candidate (hereinafter called the returned candidate) who has been declared to have been duly elected.

2. The petition shall be presented within seven days of the date of the declaration of the result of the election and shall contain a statement, in concise form, of the material facts on which the petitioner relies and the particulars of any corrupt practice which he alleges, and shall, where necessary, be divided into paragraphs numbered consecutively. It shall be signed by the petitioner and verified in the manner prescribed for the verification of pleadings in the Code of Civil Procedure, 1908.

3. The petitioner may, if he so desires, in addition to calling in question the election of the returned candidate, claim a declaration that he himself or any other candidate has been duly elected ; in such case he shall join as respondents to his petition all other candidates who were nominated for the election but had not withdrawn before the polling.

4. (1) At the time of presentation of the petition the petitioner shall deposit with it, as security for the costs of the same, a sum of two hundred rupees in cash.

(2) If the provisions of sub-rule (1) are not complied with, the Court shall dismiss the petition.

(3) Upon compliance with the provisions of sub-rule (1) the Court shall proceed to inquire into the petition.

5. The Court shall, as soon as may be, cause a copy of the petition to be served on each respondent and on the Commissioner of the Corporation of Madras. Copies shall also be affixed to the notice board of the Court and of the municipal office. It may also call on the petitioner to execute a bond in such amount and with such sureties as it may require for the payment of any further costs. At any time within fourteen days after such publication, any other candidate shall be entitled to be joined as a respondent on furnishing similarly such security as may be demanded by the Court.

6. Every election petition shall be inquired into by the Court as nearly as may be, in accordance with the procedure applicable to the trial of suits in the Presidency Court of Small Causes, Madras.

7. (1) No election petition shall be withdrawn without the leave of the Court.

(2) If there are more petitioners than one, no application to withdraw a petition shall be made except with the consent of all the petitioners.

(3) When an application for withdrawal is made, notice thereof fixing a date for the hearing of the application shall be given to all other parties to the petition and shall be published as in rule 5 supra.

(4) No application for withdrawal shall be granted if the Court is of opinion that such application has been induced by any bargain or consideration which it considers, ought not to be allowed.

(5) If the application is granted—

(a) the petitioner shall be ordered to pay the costs of the respondent theretofore incurred or such portion thereof as the Court may think fit ; and

(b) such withdrawal shall be communicated to the Commissioner of the Corporation by the Court.

8. An election petition shall abate on the death of a sole petitioner or of the survivor of several petitioners, and such abatement shall be communicated to the Commissioner of the Corporation by the Court.

9. Where at an inquiry into an election petition any candidate, other than the returned candidate, claims the seat for himself, the returned candidate or any other party to the proceeding may give evidence to prove that the election of such candidate would have been void if he had been the returned candidate and a petition had been presented complaining of his election.

10. At an inquiry into an election petition the Commissioner of the Corporation of Madras may appoint a legal practitioner or other person to attend and take such part therein as the Court may allow.

11. If in the opinion of the Court—

(a) the returned candidate, his agent, or any other person with the connivance of such candidate or agent has committed, or abetted the commission of, any one of the offences described in sections 62 to 68 of the Madras City Municipal Act, 1919, or

(b) the election of the returned candidate has been procured or induced, or the result of the election has been materially affected, by any of the following corrupt practices :—

(i) any election offence falling under sections 62 to 68 of the Madras City Municipal Act, 1919, when committed by a person who is not a candidate or his agent, or a person acting with the connivance of a candidate or his agent ;

(ii) any payment or promise of payment to any person whomsoever on account of the conveyance of any elector to or from any place for the purpose of recording his vote ;

(iii) the hiring, employment, borrowing or using for the purposes of the election of any boat, vehicle or animal usually kept for letting on hire or for the conveyance of passengers by hire :

provided that any elector may hire any boat, vehicle or animal or use any boat, vehicle or animal which is his own property to convey himself to or from the place where the vote is recorded ;

(iv) the hiring, using or letting, as a committee room or for the purpose of any meeting to which electors are admitted, of any building, room or other place where intoxicating liquor is sold to the public ; or

(c) the result of the election has been materially affected by the improper acceptance or refusal of any nomination, or by the improper reception or refusal of a vote, or by any non-compliance with the provisions of the Act or the rules made thereunder

the election of the returned candidate shall be void.

Provided that if the Court is of opinion that any corrupt practice specified in clause (b) of this rule, which does not amount to any form of bribery other than treating as hereinafter explained, has been committed and if the Court is further of opinion that the candidate has satisfied it that

(a) no corrupt practice was committed at such election by the candidate and that any corrupt practices committed were committed contrary to the orders and without the sanction or connivance of such candidate, and

(b) such candidate took all reasonable means for preventing the commission of corrupt practices at such election, and

(c) the corrupt practices committed were of a trivial, unimportant and limited character, and

(d) in all other respects the election was free from any corrupt practice on the part of such candidate or any of his agents,

then the Court may find that the election of such candidate is not void.

*Explanation.*—For the purpose of this rule "treating" means the incurring in whole or in part by any person of the expense of giving or providing any food, drink, entertainment or provision to any person with the object, directly or indirectly, of inducing him or any other person to vote or refrain from voting or as a reward for having voted or refrained from voting.

12. (1) At the conclusion of the inquiry the Court shall declare whether the election of the returned candidate is void under rule 11.

(2) If it declares the election of the returned candidate void it shall further pass an order either

(a) declaring that any other party to the petition who has under these rules claimed the seat has been duly elected; or

(b) ordering a fresh election.

(3) The order of the Court under sub-rules (1) and (2) shall be final.

13. When an election is declared void under sub-rule (1) of rule 12 and a fresh election is ordered under clause (b) of sub-rule (2) of rule 12 the seat of the returned candidate shall be deemed to be vacant from the date of the order of the Court and the Commissioner of the Corporation shall forthwith take the necessary steps for holding such fresh election.

## DEPARTMENT OF AGRICULTURE.

### THE GROUNDNUT CROP OF 1928—SECOND FORECAST REPORT.

The area under summer or irrigated groundnut in the districts of South Arcot, Chittoor, North Arcot and Tanjore up to the end of May 1928 is estimated at 52,500 acres against 55,800 acres on the corresponding date of last year. The decrease is general and is due to inadequate rains at the time of sowing the crop. For the same reason and owing to deficient water available in the wells, the yields so far in the harvested areas have been slightly below normal and future yields also are expected to be no better. The total yield is estimated at 44,800 tons, i.e., an average of about 1,903 lb. per acre.

2. The early crop of groundnut (mostly unirrigated) sown up to the end of July 1928 in the districts of Salem and Coimbatore is estimated at 165,000 acres against 149,000 acres on the corresponding date of last year. The increase works out to about 11 per cent and is due to good showers in the months of April and May. The yield is expected to be normal in Coimbatore and slightly below normal in Salem. The aggregate yield is estimated at 80,800 tons, i.e., 1,097 lb. per acre.

3. Figures by districts are given in the appended statement.

## SUGARCANE CROP OF 1928—FIRST FORECAST REPORT.

(On an average of the five years ending 1926-27, the area under sugarcane in the Madras Presidency has represented 4·1 per cent of the total area under sugarcane in India.)

The area planted with sugarcane up to the end of July 1928 is estimated at 79,400 acres against 87,800 acres on the corresponding date of last year. The decrease is about 9·6 per cent. It occurs in all the districts except Ganjam and Madura and is due to the poor supply in the irrigation sources consequent on the failure of the north-east monsoon rains in the previous year and to the low prices for jaggery at the planting time.

2. The condition of crop is generally fair. In the Bhavani taluk of the Coimbatore district the crop is reported to have been affected by disease to some extent.

3. Details by districts are given below :—
